

The Mary Beth Benison Foundation Guidelines

The primary mission of the Mary Beth Benison Foundation Inc., (MBB) is to provide financial assistance to patients and their families battling ALS. In addition, when needed we provide assistance to people who reside in Massachusetts and have cancer and other serious or terminal illnesses. Individuals requesting assistance are required to provide verification of diagnosis as well as documentation to support their need for financial assistance. Monetary awards of up to \$750.00 are available and grants typically provide assistance for the following expenses:

- Purchase of medical equipment not covered by insurance
- Payment of a medical bill or for home health care not covered by insurance
- Electric
- Telephone
- Heat (Gas/Oil)
- Rent/Mortgage
- Car
- Other similar expenses
- Contributing towards a dream vacation for someone with a terminal illness

All grants are mailed to the patient but checks are paid directly to the service provider/ business. If selected, assistance shall be provided once per individual/family in a 12 month period.

Once the completed application and forms are submitted please allow a minimum of 2 weeks to be reviewed and processed. Applicants will be notified of awards by mail (in some cases email). Social workers will be notified by email. An application is not a guarantee of receiving a MBBF grant. Funds are limited, and based on eligibility and availability. We are unable to process incomplete applications.

Applications

To request an application, return a completed application or get more information:
